Re: Docket No. 96-45, Certification Letter Pursuant to the requirements of the
RTF Order and 47 CFD § 54.313 and 54.314, for the year 2004

Dear Ms. Dortch and Ms. Flannery:

On May 10, 2001, the FCC adopted a modified mechanism to provide high-cost support to rural carriers. *In the Matter of Federal-State Joint Board on Universal Service*, 14th Report and Order and 21st Order on Reconsideration, CC Docket No. 96-45 (FCC 01-157), released May 10, 2001) (Rural USF Order). That Order requires states to certify by October 1, 2003, that the rural carrier(s) in their jurisdiction will use the federal support in compliance with section 254(e) of the Telecommunications Act of 1996. This certification letter is being submitted to satisfy that requirement.

In accordance with the requirements of that Order, the Maine Public Utilities Commission certifies that all the federal high-cost funds provided to our rural companies, in Maine will be used in a manner consistent with the requirements of 47 U.S.C. § 254(e). All federal high-cost support will be used only to support those services for which the support is intended.

A list of rural LECs in Maine to which this certification applies is attached to this letter.

If you have any questions regarding this letter, please contact Joel Shifman at joel.shifman@maine.gov or at (207)287-1381.

Sincerely,

Dennis L. Keschl
Administrative Director
